Re: *New Advantage Insurance for New Mexico*

You have until DECEMBER 7, 2020 to change your health insurance

Hello Senior Friends.

The purpose of this Bulletin is to inform you of a new ADVANTAGE Health Insurance Plan available to New Mexico residents for 2021.

We are NOT associated with any insurance company, nor do we receive any referral fees or commissions. *This Bulletin is simply a Public Service by Tucumcari Bargain Shopper. **We are selling nothing here.***

With that out of the way, we'll move on to the real issue. Until now health insurance has been VERY expensive for Tucumcari Seniors. I was personally scheduled to pay a \$165.00 monthly premium for my Medicare Supplemental health insurance. That's the policy the covers Meds and pays most or all of our co-pay part.

There is BETTER medical insurance for Seniors called the ADVANTAGE PLAN. Until 2021, there was no advantage plan available for New Mexico residents. **An ADVANTAGE MEDICAL PLAN is the BEST health insurance plan because** it covers your meds, co-pay for doctor visits, **and the most important part is your monthly Premium is as low as \$0.**

That's the primary benefit of the ADVANTAGE Plan. My NEW **HUMANA Advantage Monthly Medicare Premium** is only \$18 and it's BETTER COVERAGE than my current (for 2020) expensive plan with a premium of \$165.00 per month.

My current agent supposedly reviewed my current plan and said there was no advantage plan available. She just didn't want me to change policies so misinformed me. I found the HUMANA Insurance company just came out with this NEW policy.

I talked with this agent, **Laddie Oni at 877-256-1640 ext. 1124412**. I don't know him personally, just met him, but he told me the truth, was easy to understand his explanations, and patient. I'm not making any recommendations, but I liked his service, a LOT! You be the judge.

Open Enrollment Started Oct. 15—LAST DAY TO SIGN UP IS Dec. 7.
